

The City of Aspen Memorial Tree Program

Remember and celebrate the lives of those who have been an important part of Aspen.

Plant a tree that will benefit the community while expressing the uniqueness of those who have passed.

Tree species will be determined on an individual basis according to site requirements and contributor's requests.

Tree donations will be \$1200.00, which will include tree, installation, maintenance, and a replacement tree if original dies within two years of planting.

Memorial trees will be planted by Parks Dept. staff in designated areas to be determined at the time of request.
