City Manager
CITY OF ASPEN, COLORADO

THE COMMUNITY

The City of Aspen is a premier, internationally-acclaimed resort community set high in Colorado's Rocky Mountains in the heart of the White River National Forest. With historic roots as a silver mining and ranching community, Aspen was transformed into a world-class ski, cultural and arts center in the 1940s, and has embodied the "Aspen Idea," which describes the importance and interrelationship of mind, body, and spirit.

Today, Aspen (3.87 sq. mi., elev. 7,908 ft.) is one of the most beautiful and prestigious small towns anywhere. Known for more than its world class skiing, Aspen has become a four-season destination for outdoor adventures along with a vibrant cultural and arts scene. Aspen has a distinctive small-town character with 6,700 year-round residents, thousands of second homeowners, and an infrastructure to support a city of eighty thousand. Aspen is an active, engaged community with diverse ideas and solutions. Citizens pride themselves on spirited debate, where it is common to see votes split

around 48% to 52%. Aspen's vibrant downtown offers a picturesque pedestrian mall, historic buildings, including the historic Wheeler Opera House and Hotel Jerome, upscale and unique shopping, dining venues and art galleries.

Surrounded by rugged mountain and wilderness areas, Aspen is located in the Roaring Fork Valley in the heart of Colorado and serves as the county seat of Pitkin County. The Roaring Fork Valley is home to Snowmass Village, Basalt, Carbondale, and Glenwood Springs, all served by the Roaring Fork Transportation Authority (RFTA), the largest rural transit system in the United States. Aspen is approximately 205 miles southwest of Denver and 130 miles east of Grand Junction. The Aspen/Pitkin County Airport serves the city, and Denver International Airport is about four hours away.

Recreational opportunities abound in Aspen's neighboring White River National Forest, one of the most visited national forests in the nation containing eight wilderness areas, including the nearby picturesque and famous Maroon Bells. Popular activities in and around the area

include: cross-country and downhill skiing, alpine touring, mountain and road biking, fishing, kayaking, rafting, paddle boarding, rock climbing, camping and hiking.

Summer draws classical music students and music lovers to the Aspen Music Festival and School, as well as tourists and thought leaders to the Aspen Institute's Aspen Ideas Festival.

Excellent public (Aspen School District, Colorado Mountain College), private, and charter schools serve the city. Major medical facilities include Aspen Valley Hospital and Valley View Hospital in Glenwood Springs.

CITY ORGANIZATION

Aspen became a home rule municipality in 1972, and operates under a home rule charter and a council-manager form of government. Council members are elected for four-year staggered terms. The mayor, elected by the voters, serves two-year terms. The last City Manager served for 20 years. The City Manager oversees approximately 325 full time employees in 24 departments and an annual budget of around \$139 million. The city has a Moody's AAA General Obligation (GO) bond rating.

The City of Aspen is a dynamic organization with a progressive focus. Priorities and challenges include affordable housing, communications and public outreach, mobility transformation, environmental stewardship and sustainability, managed growth, historic preservation, quality of life, regional collaboration, water storage and rights, and the new city office project (\$48.1 million, opening in 2021), among others.
