

## QWEL in the Valley Newsletter

### Congratulations 2019 QWEL graduates!

On May 20th - 22nd, the City of Aspen hosted its 2nd Qualified Water Efficient Landscaper Training. We're pleased to announce that 100% of student participants passed the course! You can view photos from the course, including the memorable snowy irrigation audit, below.

For our new QWEL graduates, welcome to the quarterly QWEL in the Valley newsletter! Every few months, we'll provide QWEL grads with QWEL program updates, Continuing Education Unit (CEU) opportunities, and other relevant water efficient landscaping information. Read on for more information!

Please contact Lindsay Rogers ([ler@waternow.org](mailto:ler@waternow.org), 415-259-7978) with any questions.

### QWEL Pro Login:

Your [QWEL Professional page](#) allows you to view your QWEL status, update your contact information, and enter completed CEUs in order to maintain your QWEL certification. If you have not received login instructions or unable to access your QWEL Pro account, please contact Lindsay Rogers.

### Find a QWEL Pro for Hire:

If you are available for hire as a QWEL professional, your contact information is - or will soon be - listed on the QWEL website [here](#). Enter your ZIP code or search the map to view your listing. Your professional contact information will also be made available on the City of Aspen's website [here](#)!

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

In order to maintain your QWEL certification, you must complete and submit two CEUs annual (before January 2020 for 2018 Grads and before January 2021 for 2019 Grads). Of course, participating in additional webinars and workshops is encouraged! Find out more about what qualifies for a CEU opportunity [here](#). Upcoming events are listed below:

---

## Upcoming CEU Opportunities:
