Subject: Pre-existing RREMP/CREMP Exterior Energy Credit

Pre-existing snowmelt, pools or spas qualify for exterior energy credit. This credit is applied towards an installation of exterior energy on the same parcel and must be inspected before demolition. The replacement credit shall be based on the existing square foot area of snowmelt, pools or spa. The replacement shall be like for like; area of snowmelt for snowmelt, area of pool for pool and area of spa for spa.
