

COVID-19 Safety Information, Effective June 1, 2021

- Do not drive vehicles if you are sick or experiencing symptoms.
- Hand sanitizer and disinfectant wipes are stocked in each vehicle. We also recommend bringing your own supply as backup.
- Wipe down all high touch areas before and after vehicle use. These include door handles, trip log booklet/pen, vehicle key, power buttons, touch screens, steering wheel, gear shift, parking brake and various control buttons.
- Vehicle availability and program policies subject to change based on current COVID protocols.
